These brands include Antigravity Batteries and MICRO-START (referred to as the “Brand”). Antigravity Batteries owns the trademarks, various derivatives thereof, logos, copyrights to materials in its catalogs and other intellectual property associated with the Brand (collectively referred to as “Marks”). Dealers and Distributors are granted a limited, revocable, non-exclusive, non-transferable license to use the Marks in connection with any print or internet advertising associated with the Brand as long as they adhere to Antigravity Batteries policies, including this Retail Advertising Policy (the “Policy”).

Each Dealer is free to independently set its resale prices for any product at its own discretion, but Antigravity Batteries’ Policy establishes advertised price standards for the Brand. Antigravity Batteries has adopted this Policy unilaterally for the express purposes set forth above. Failure to abide by this Policy may result in penalties, including termination as a Dealer or Distributor.
