

MICRO-START

XP-3 JUMP STARTER PERSONAL POWER SUPPLY

ANTIGRAVITY BATTERIES

The newly REDESIGNED XP-3 has a great new look and adds an additional USB port, plus the ability to be charged from any Micro-USB plug for easier recharging no matter where you are. Additionally we have upgraded the Smart Clamps with Thermal Protections and have UL-listed battery cells for even better operation and safety.

The XP-3 has serious power and can easily start vehicles such as Motorcycles, Cars, and Trucks with up to V8 5.7 liters motor sizes**. It offers 8,000 mAh of back-up power to charge any USB devices like Cell Phones, Tablets, GoPro Cameras, Bluetooth Devices and more. The XP-3 also has a very bright built-in LED flashlight with SOS patterns to assist in lighting your way in the dark.

The XP-3 can easily fit in your Pocket, Purse or Backpack. The XP-3 comes in a compact, durable carry case with everything needed to Jump-Start your vehicles and Charge your electronic devices. So easy to use: just charge the XP-3 and take safe, portable power wherever life takes you.

** Not intended for large V-Twin Motorcycles or Diesel Vehicles. Please use the XP-10 or XP-10-HD for Diesel Vehicles up to 7.3 liters **

MSRP \$119.99

The SPORT is super sleek & small. It Jump-Starts vehicles with up to V6 motors in size and also charges any USB devices. It comes in our smallest carry case.	The XP-3 easily jump-starts vehicles up to 5.7 liter V8 in motor size. It has 2 USB ports for extra charging capabilities. XP-3 is a little bigger than the SPORT model.	The XP-1 does it all: it easily starts vehicles up to 6L V8 in motor size while having the ability to charge and power 19V Laptop Computers, 12V Devices and any USB Device.	The XP-10 PPS does it all and with authority! It can start Diesel Motors up to 7.3 liters and gas engines with ease. Charge Laptop Computers, 12V Devices and any USB Device.	The new model XP-10-HD is a Heavy Duty Micro-Start perfect for mechanics, fleets and large vehicles. More power. Includes the much larger, unbreakable all-copper Smart Clamps.
